Calling all actors! Voice workshops with Brendan Gunn are running in Belfast & Dublin.

Robert De Niro, Brad Pitt, Edward Norton, Aidan Quinn, Cate Blanchett, Jim Sturgess, Heather Graham, Rupert Grint, Julia Roberts, Richard Gere, Natalie Portman, Daniel Day Lewis, Penelope Cruz, Saoirse Ronan, Colin Farrell, Stephen Rea... add your name to this impressive list of actors that have worked with world renowned dialect and dialogue coach Brendan Gunn over the last 25 years.

After the success of the voice workshops for actors with Brendan that ran earlier this year, we are delighted to announce that we are running more workshops in the autumn in Belfast and Dublin.

The courses will explain the basics of using your voice effectively and examine techniques which will be invaluable to any actor wishing to give themselves the best possible chance of successful auditions.

We have expanded the workshops to offer both a beginners session and an advanced session running over two weekends in October.

This is a great opportunity to get face to face with one of the industry's most respected and experienced voice coaches and receive practical advice which will stay with you for your whole career. There will also be ample opportunity to practise what you have learned and to ask Brendan questions about voice work and working in the film/theatre industry.
